

2004 Pollution Prevention (P2) Award Nomination Form

Awards will be presented to recognize the Pollution Prevention successes for individuals or teams that have minimized waste, conserved water or electricity, reduce air or water pollution, or procured products with recycled content, applied EMS/sustainable design elements to projects, used the LEED criteria to design a new facility, submitted Green Zia nominations, or helped to meet the DOE Goals for 2005

Rules:

- Group manager (or above) endorsement is required
- Individuals or teams may apply
- Teams may consist of up to twenty (20) U.C. employees and subcontractor employees (most subcontractors receive certificates but not cash awards. A few subcontractors will provide cash awards through their own incentive awards programs)
- Managers (group manager and above), affiliates, and visitors who are selected, will receive an award certificate in lieu of a cash award
- Nominations due by close of business, Friday, March 19, 2004
- Submit nominations to Barbara Bushong, E-Environmental Stewardship Office, TA-46, Bldg. 326, Room 108, MS J591
- Awards will be presented at the April 29, 2004 Earth Day Awards Ceremony (pre-notified by April 9th)
